Dear Occupational Therapy Supporter,

The Oklahoma Occupational Therapy Association is preparing for our annual conference to be held in **Tulsa, Oklahoma, October 2nd and 3rd, 2009, at Renaissance Tulsa Hotel and Convention Center (6808 South 107th East Avenue)**. We invite you to share information about your facilities, job opportunities, and products by participating as a sponsor or vendor for our event.

This year we've set aside unopposed time just for vendors on Friday evening from 5:00 to 8:00. We will serve a light supper, refreshments, dessert, and have silent auction items. Drawings for door prizes (please consider offering prizes) throughout the evening will keep people interested and in attendance. There will be time for you to make individual presentations.

The theme of this year's conference is **Occupational Therapy: Energy for Change**. With the many changes that are occurring around the world, our nation, and our state, now more than ever occupational therapists must be prepared and ready to be leaders in our communities as well as the health care industry. OOTA will continue to build on the "Theme" of the American Occupational Therapy Associations Centennial Vision in its 2009 Conference. Our Conference will focus on how therapists in Oklahoma can contribute to integrating the vision into their clinical practices. Our focus areas are: health and wellness, work and industry; children and youth; productive aging, mental health; rehabilitation; disability and participation; as well as general practice issues. .

We will mail brochures for this event to all licensed occupational therapy practitioners in Oklahoma and to those in surrounding states as well as the students at all four occupational therapy education programs.

What a great opportunity for occupational therapy personnel to learn what you have to offer. Participation is easy. Read the enclosed sponsorship/vendor levels and choose how you wish to support your local state occupational therapists. Complete the form and return to OOTA with your check or call to provide credit card payment information by the deadline, August 1, 2009 to be included in the conference materials. Contact Marsha Collier with OOTA (918-231-1300) with questions about participation.

Thank you for your support of OOTA.
