

"So What Do I Do Next? Treatment From The Initial Evaluation to Discharge"

Description:

Participants will participate in lecture, demonstration, and group discussion of EBP (Experienced Based Practice, with some Evidence here and there) to facilitate the patient's best outcome from Admission to Discharge

Learning Objectives:

1. Participants will demonstrate skills in evaluating a patient's learning levels relevant to therapy.
2. Participants will state understanding of hierarchy for treatment progression.
3. Participants will be able to list at least three methods of providing feedback to patient regarding progress.
4. Participants will be able to list at least three resources for home program education.
