

Report from the Secy 409

The OOTA executive board is working to change the way we do a number of things. OOTA is working to combine excellent continuing education opportunities with fun networking events. Watch for upcoming events where you can get to know your colleagues while earning those continuing ed. points. The OOTA executive board will soon be changing membership. Watch for information and be sure to vote in the first on-line elections for secretary and president. Have you looked at the OOTA website lately? More big changes are there to keep you informed of these and other activities.
