

Bylaws Committee Report
Sharon Sanderson
Submitted for the November 2007

The Executive Board is looking at extensive changes in the OOTA Bylaws. Once they are fully developed, the changes will be posted on our web site for members review. The Bylaws changes will be discussed at the February 2 meeting, so be prepared to provide feedback. The areas with the most changes are membership categories, requirements to hold office, Executive Board responsibilities, and committee structure.
