Finance Chair Report:

Wow! What a great auction we had at the annual conference thanks to all of you who made donations personally or with your company! We raised over \$1,600 through the live and silent auctions and the funds will go to a brand new area for OOTA called "The Centennial Fund." This fund will be set aside for OOTA to use for creating brochures, flyers etc. to let the state and world know all about our great profession.

Thanks to Kim Ryan, Debra Smart and Rachel Godsey for helping with the auction and thanks again for everyone who was involved in donations. You are awesome. Let's do it bigger next year!
