

**OOTA Representative to AOTA
Suen Olson, and Susan Tucker
Submitted April 2007**

By the time you read this I will have been to the AOTA Conference and will be home. I received record numbers of feedbacks this year to allow me to respond to your positions on the motions set before the Representative Assembly, and want to thank each of you who participated. This was the first year in which they had a Zoomerang Survey which made it possible to respond directly to AOTA through their website. I hope you found this a convenient tool and expect it to be offered regularly in the future.

I continue to hope that you will provide supportive feedback on the issues that come before AOTA and feel the true need to be an active participant in supporting our professional organizations. As we progress toward our Vision of 2017 I hope we will see our profession truly growing to be what the City on the Hill visualization told us we could be.

I was excited to see how wonderfully Lowe's assisted with the raised flower bed designs and supported Occupational Therapy Month this year. Congratulations to Mary Isaacson and all who participated in this venture. I am so proud to be an Occupational Therapy Practitioner from Oklahoma chosen to be your AOTA Representative. Thank you all. Suen Olson your AOTA Representative and Susan Tucker Alternate AOTA Representative
