

OOTA Representative to AOTA
Suena Olson, and Susan Tucker
Submitted May 2008

When this article was due, I was in Long Beach California attending the Spring session of the Representative Assembly. It is really an honor to represent all of you. I was pleased to discover that many of you took the time to access the Zoomerang Survey on the AOTA Web Site and that you gave constituent reports for me. It is much easier to vote the way you want me to when you tell me your opinions on things. I also received several emails this time and just wanted to let you know that your opinions are very important.

You will soon be getting a report on the list serv detailing how things worked out in the RA and where things are going. I was quite pleased to see that Oklahoma continues to be on the cutting edge with our decision to align our state association strategic plan with that of the AOTA Vision Implementation. It is exciting to be able to tell others that we are in the process of having our upcoming conference focused on Continuing with the Vision Process and Advancing the Practice of Occupational Therapy in our state.

This is an exciting time to be an Occupational Therapy Practitioner. I am so proud to stand with all of you and to represent you on a national level and I want to thank you for allowing me to do this. I hope you are having a wonderful Spring and are making plans to attend the Continuing Ed event on April 19th. I hope to see you there.

Suena Olson COTA/L,
Your AOTA Representative.
