

**OOTA Representative to AOTA
Suena Olson, and Susan Tucker
Submitted November 2007**

Hi everyone.

Happy Fall. Hope you all are having a wonderful fall season. Backpack Awareness was a great success with the help of the Students from OU. I hope your efforts were rewarding as well. Our OOTA Conference was well attended and a Huge Success. Thanks and Congratulations to everyone involved.

I will be attending the Fall online meeting of the representative from October 23 until November 6. The topics are up on the governance section of the AOTA Website and Susan Tucker posted the information for you to help with feedback on our OOTA List Serv. Most of the Topics are housekeeping items for AOTA, such as Bylaws approval and such, but remember your opinion is important to us.

Nominations for AOTA Positions are in full swing. The positions open are Board of Directors, WFOT Delegate and Second Delegate, and Alternate OTA Representative. The Deadline is October 26. If you would like to run for one of these positions, or know someone who is an AOTA member with the skillsets needed to perform these jobs, please let us know.

Thanks, and Happy Fall. Suena Olson and Susan Tucker, your AOTA Representatives
