

**President Report**  
**Sharon Sanderson, OTR/L, FAOTA**  
**Submitted October 2006**

OOTA has a very successful fiscal year. Our continuing education offerings were well received by an excellent group of practitioners from various practice settings throughout Oklahoma and beyond. Our 2006 Annual Conference was ground-breaking, as Oklahoma was the first state association to have a conference built around the AOTA Visioning Project.

At the annual business meeting, we “rolled back” dues in hopes of attracting more members. For the remainder of this fiscal year (until June 30, 2007) dues will be two-for-the-price-of-one! See our web site for more details.

We look forward to an educational and enjoyable new year, as we celebrate OOTA’s 40<sup>th</sup> Birthday. We hope you join us in the celebration aboard the Carnival ship Ecstasy on April 20-30.
