

Secretary Report
Meg Smith, OTR/L
Submitted for the July 2007

It was with mixed feelings that I recently received Sharon Sanderson's letter of resignation. She does so much for OOTA, Oklahoma, and the profession of Occupational Therapy. In looking back at the minutes of our last few OOTA meetings her name is listed over and over as the initiator of proposals to improve OT and the one we rely upon to research or communicate issues. Of course the Presidency will be in the capable hands of Toby Hamilton. Fortunately for us, Sharon is not leaving OOTA, just the Presidency and we will have her to mentor new Board and Committee members. This is a great opportunity for others of our talented membership to step up and become more active in OOTA. Let us know how you would like to be more involved even for a few hours.

Things going on in OOTA include plans for the 2007 Annual Conference September 28 and 29 in Tulsa – volunteers needed – contact Toby Hamilton. Community Promotions has a new Chairperson, Marlene Snow – let her know how you want to promote your profession. OOTA nominates Committee members to the Oklahoma Medical Licensure Board – want to be nominated when a position is available? OT Bucks were a way to reward and recognize member performance – got a better idea? OOTA contributes to AOTF student scholarship fund – know a deserving student?

Details of these subjects and others are reported in full in minutes on the OOTA website.
