

Vice President Report
Toby Hamilton, PhD, MPH, OTR/L
Submitted April 2007

Good news for all the “landlubbers” who were unable to cruise in April! The Executive Board will offer a FREE (you read it right –F –R- E- E!) continuing education offering in 2008 covering the cruise content *Healthy Lifestyles & Balanced Living for Occupational Well-Being: Evidence & Clinical Applications*. We can’t offer the entire cruise experience but we will have fun and learn a lot. We’ll announce the dates at the annual conference.

The last continuing education offering for 2007 is the annual conference. Jennifer Campbell and the OTA students of Tulsa Community College are the conference chairs and site hosts. Save the conference dates, Friday, September 28th & Saturday, September 29th, and watch for more information.

Toby Hamilton
Vice-President

Chair of the Continuing Education Committee: LeeAnn Anderson, Debbie Smart, & Meg Smith

Report for February 2007 mailed to OOTA members in February 2007 OOTA newsletter
