

Vice President Report
Toby Hamilton, PhD, MPH, OTR/L

Thanks to all who helped make the 2006 OOTA Annual Conference a success. Watch the website for a .pdf file of Dr. Christiansen's slides from his talk on health trends. Special thanks to our colleagues who served as panelists and moderators of the breakout sessions: Carla Wilhite, Heather Parmeley, Talitha Glosemeyer, Sharon Sanderson, Angela Danel, Toby Hamilton, Roger Williams, Marlene Snow, Lorraine Auchter, Lee Ann Anderson, John Jennings, & Cyndy Robinson.

We will hold the 2007 conference in Tulsa –contact any of the members of the Continuing Education Committee with your eagerness to serve on the 2007 Planning Committee. [Members of the CE Committee: Toby Hamilton, Meg Smith, LeaAnn Anderson, & Debra Smart]

Save the Dates:

Saturday February 3 Applied Neurobiology & Clinical Research Review
Thursday, April 26 – Monday, April 30 OOTA Cruise

Free Continuing Education for you and your guests!

Cruising Along: The final ruling on passport requirements for sea travel will be published later this year. I've seen some reports that indicate that passports will not be required to leave and reenter the US on our cruise. Best advice is to obtain or update your passport now. Check the following website for updates and information
