Call for Papers - Application to be a 2018 Conference Presenter:

Occupational therapy providers, other health professionals, related industry experts, and OT& OTA students - please consider sharing your professional experience, treatment / therapy skills, and your passion for 'ADVOCACY: The Who, What, Why & Heart of our Profession" at this year's OKOTA conference. A variety of speakers & topics will inspire us to advocate for our profession by demonstrating the value of meaningful and purposeful occupational engagement in every life. **All proposals are welcome. Presenters do not need to be a licensed health professional but credentials must be included with the topic & objectives.** All presentations should have relevant content for an audience of allied health professionals; speakers can receive an honorarium or discounted registration and will have free publicity through social media & conference advertising by OKOTA.

Proposed Topic for [circle one]: (1.5 - 2 hour) Session - or a Poster Presentation
Include Title & Summary of Content:

Speaker(s) name(s): _____

Credentials (will be used as listed here for media promotions, event website & all conference materials):

Company / Affiliation: _____

Job Title / Position: _____

*All personal contact information for this applicant will not be published but kept on file by the OKOTA for the express purpose of communication regarding this speaking engagement:

Primary Address: _____

Primary Phone: _____

Fax #: _____ Email: _____

- ❖ Please include an outline of your presentation & at least four learning objectives (to meet CEU criteria)
- ❖ Presenters are encouraged to include at least 10 minutes of audience discussion at the end of session
- ❖ Include APA bibliography in presentation handouts, slides, etc (provided by September 1) in addition to Title & Abstract (as you would like to have it printed in conference packets & marketing media)
- ❖ **Final PowerPoint, handouts, or supplemental items* should be submitted by September 1, 2018.**

Audio-Visual Equipment Needs for Presentation:

***You are welcome to bring your personal laptop or other presentation items, with advance notice so that we can inform the venue & confirm compatibility of AV systems.**

Instructional Level (Please mark the appropriate choice for your topic presentation):

- ❖ Introductory (assumes the audience has minimal familiarity with topic, so focus of the presentation is based upon general orientation and increased awareness)
- ❖ Intermediate (assumes the audience has general familiarity with the literature and professional practice of the topic so that the focus of the presentation is upon increased understanding and application by session participants)
- ❖ Advanced (This level assumes total familiarity with current literature and professional practice in the topic area. The focus is upon recent advances, future directions, and application of research)
